Building Wealth in Local Communities

Local People, Local Ideas, Local Solutions

If you don't know where you're going, any road will get you there.

Sponsored by:

Be a part of the **Building Wealth in Local Communities** program. This is not just another workshop. It is a community visioning process to develop a sustainable future for our community & practical, creative solutions. The process emphasizes the **triple-bottom line: people, profit, and planet**. Jeff Goebel, a veteran facilitator in consensus building will facilitate.

The event is free and open to the public. Lunch will be available for purchase at Kimsey Commons.
