

## **Howdy renewable energy and green builders, vendors, and organizations:**

In less than one month the first Eastern Oregon Solar Fair will take place. This event is a partnership of Oregon Rural Action, the Union County Renewable Energy Committee, Solar Oregon, and Energy Trust of Oregon. The purpose of this event is to help business and homeowners make the first and next steps toward installing and using renewable energy systems, conservation and efficiency, and green building techniques. The event consists of workshops on how to "go solar" by Solar Oregon, an open house of Union County renewable energy systems, and a vendor fair. For more information, see the announcement at the [ORA website](#).

We're advertising to bring in folks from all over Eastern Oregon. We would like to invite you to attend our vendor fair on June 5th so that you and the public have a chance to interact and increase the use of renewable energy systems in the region.

### **Specs:**

**Booth space- 5x10 ft**

**Booth fee- \$50**

The vendor showcase/fair will be held in [Badgley Hall](#) (Science Center) at Eastern Oregon University from 8:30am to 1pm on June 5th. Parking is on the east side of the building. Set up will begin at 7:30am on the 5th.

To sign up for a booth space:

- 1.) Call or [email](#) Nella at Oregon Rural Action at (541)975-2411
- 2.) Decide whether you need chairs and tables. The university charges \$2/table, \$0.50/chair. Let Nella at ORA know how many you want and include this cost in your check.
- 3.) Send payment by check made payable to Oregon Rural Action with a note saying "payment for solar fair booth." Send to PO Box 1231 La Grande, OR 97850
- 3.) We also request a small paragraph about your company/organization and services you provide to include on a handout for fair participants. Please email to [nella@oregonrural.org](mailto:nella@oregonrural.org) by May 28th.
